15	1A, 1B and 2C
16	1A, 2B and 1C
17	1A and 3B
18	1A, 2B and 2C
19	1A, 3B and 1C
20	1A and 4B
21	1A, 3B and 2C
22	1A, 4B and 1C
23	1A and 5B
24	1A, 4B and 2C

To estimate what Water Warden safety fence kits you will need to secure your pool, just count the number of "Fence Sections" your pool has.

A single fence section is the amount of fencing used to span between two pool uprights (posts).

Simply count the number of sections you require and refer to the Water Warden Fence ordering guide before purchasing
